MESSAGE FROM THE PRESIDENT, WORLD MASTERS ATHLETICS

On behalf of World Masters Athletics we extend to you an invitation to enter the World Masters Athletics Championships, Stadia, to be held in Malaga Spain. This will be the second occasion that the Royal Spanish Athletics Federation (RFEA) has hosted the Stadia World Championships having previously conducted an excellent competition in the City of San Sebastian in 2005.

Spain has an outstanding history of organising and conducting major sporting events, particularly in Masters Athletics and already in 2018 they will have conducted the European Masters Indoors and Non Stadia Championships. The City of Malaga is probably best known for its tourism appeal, but it also has a proud sporting history and the City has provided strong support to the RFEA and Malaga LOC as they have planned for this championship.

It is anticipated that more than 8,000 athletes will enter this competition and with four separate athletics track facilities as well as road race walking, cross country and half marathon venues to be used it is going to be a major impact upon the City. The organisers are confident they will provide an enjoyable and memorable experience to all participants, their supporters and friends.

Malaga waits to welcome you. The City has many attractions and boasts good value accommodation, an excellent transport network and a cost of living that is most reasonable.

We look forward to seeing you in Malaga and together enjoying the biggest athletics participation track and field event in our marvellous sport of Masters Athletics.

Stanley Perkins
PRESIDENT
World Masters Athletics

As a Mayor of the city of Málaga, I would like to cordially invite you all to the 2018 World masters Athletics Championship

Located in a privileged geographical location on the banks of the Mediterranean Sea, on the southernmost coast of Spain, Malaga is endowed with a firmly established cultural heritage. For almost 3,000 years it has maintained, the essence of being a city that welcomes visitors. Phoenicians, Romans and Arabs left an outstanding legacy. Malaga possesses a cultural wealth that is based on its past and on its current development. Our cultural offer has been enhanced by the incorporation of the Picasso Museum, the Carmen Thyssen Museum, Picasso's birthplace & Foundation, the Contemporary Art Centre, and more recently, the Centre Pompidou Málaga and the Collection of the Russian Museum of Saint Petersburg.

Málaga is well known as a very hospitable city, which will embrace all participants of the World Masters Athletics Championships Games in 2018 making them enjoy our weather, gastronomy and culture in a beautiful environment.

Málaga is also a city of sports and more than 35% of our population practises some kind of sports. Málaga has been designated European Capital of Sport in 2020.

Hope to give you all a warm welcome to Málaga in 2018!
